MEGA MATH 7/8

The seventh and eighth grade math team traveled to Madison College to compete in the Greater Dane County Mega Math Meet. They worked extremely hard throughout the morning against some tough competition!

YOUNG AUTHORS

A group of 3rd-6th graders selected for their exemplary writing pieces (Poetry, Personal Narrative, Creative/Argumentative Writing) traveled to UW-Platteville Baraboo Sauk County on Tuesday, May 28, to participate in the Young Authors Conference. All the writing pieces submitted by these students were published in an anthology and the students were able to participate in writing workshops throughout the day.

MEGA MATH 5/6

The fifth/sixth grade math team competed at UW-Madison. It was a fun experience working on difficult math problems, including binary coding!

PROGRAM UPDATES

Spring testing has concluded. Parents will be notified if their child qualifies for the program.

- Mrs. Alvin will be the coordinator for the 2019-2020 school year.
- Her contact information is available at the top of the newsletter.

- Congratulations to all of our participants this year.
- You did a fantastic job of representing Fall River School!
